This body of water is controlled and dedicated to the exclusive use of property owners. Being spring fed, this beautiful lake, with its clear, clean water, is particularly suited for bathing. Arrangements have been made to stock the lake with a plentiful supply of Game Fish, and the near future will afford excellent fishing.

THE PARKS

The entire lake frontage is reserved for parks for the use of lot owners. This space is being beautified with and improved with Docks, Diving Boards, Bath House, Benches, Play Grounds and all details to make it a spot of beauty. Swings, Slides, etc., for the children.

The rush to secure home sites at Pine Lake is on! Many well-known people from Atlanta and surrounding sections have bought lots and are planning their summer homes.
