6. AGRICULTURAL DISCLOSURE:

Is the subject Property within, partially within, or adjacent to any property zoned or identified on an approved county land use plan as agricultural or forestry use? ☐ Yes ☒ No ☐ Don't Know

It is the policy of this state and this community to conserve, protect, and encourage the development and improvement of farm and forestland for the production of food, fiber, and other products, and also for its natural and environmental value. This notice is to inform prospective property owners or other persons or entities leasing or acquiring an interest in real property that the property in which they are about to acquire an interest lies within, partially within, or adjacent to an area zoned, used, or identified for farm and forest activities and that farm and forest activities occur in the area. Such farm and forest activities may include intensive operations that cause discomfort and inconveniences that involve, but are not limited to, noises, odors, fumes, dust, smoke, insects, operations of machinery during any 24 hour period, storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides. One or more of these inconveniences may occur as the result of farm or forest activities which are in conformance with existing laws and regulations and accepted customs and standards.
